

PILOT AIDS

Safeway

PRESSURE RELIEF TYPE

Pitot Tube Covers

Now you can avoid costly instrumentation failure and maintenance caused by blocked or obstructed pitot tubes. Designed to protect against ice, dirt, moisture and other foreign matter, Safeway's new pitot tube covers fit most aircraft applications. Constructed of a heavy gauge vinyl formed cover with attached 17" bright red cloth streamer, these covers are easily visible even in low light conditions. A new "fly-off" cover is also available with Velcro®-type attachment for blade-type pitot probes.

4 STYLES — FIT MOST APPLICATIONS.

P-100 — "Fly-off" Stub Cover with Velcro® attachment. All cloth. fits Piper and all blade types.

5800 — $\frac{5}{8}$ " ID vinyl cover with cloth warning tail. Fits most twins and singles other than Cessna.

3400 — $\frac{3}{4}$ " ID vinyl cover with cloth warning tail. Fits Cessna singles.

PC-100U — Universal size, all vinyl. Fits all tube type pitots.
